Johnson Block & Company, Inc. – Brenda Glendenning

Agenda

Review Village of Argyle - Annual Report for TID #3 completed by Johnson Block & Company, Inc. to be submitted to Wisconsin Department of Revenue by 7/01/2025.

Comments

Brenda Glendenning of Johnson Block reviewed the audit report with those in attendance, answering questions members had. The village has discussed starting the process to extend the life of the TID. The benefits of the extension were reviewed with members. The Joint Review Board was informed last year that any extension or change would need their approval prior to the Argyle Village Board final approval.

Adjourn

Motion made by John Mathys to adjourn meeting, seconded by Karen Campbell, motion carried.
