

## **ELECTRIC COMMITTEE MEETING NOTICE**

The Electric Committee for the Village of Argyle will be meeting on Monday, July 21<sup>st</sup>, 2025, at 6:00 pm at the Argyle Community Building located at 401 E. Milwaukee Street in the Village of Argyle. The Electric Committee and members of the Kleinschmidt Group will be discussing raising the spillway crest of the Argyle Dam by six inches to one foot, increasing the elevation and subsequently the normal maximum pool elevation from the current 791.33 feet to a maximum of 792.33 feet with affected property owners that could be impacted upstream. Each property owner will need to sign a floodplain easement for FERC to approve an Exemption License Amendment.
