<property owner>

Argyle, WI 53504

RE: Parcels No: <parcel #>

Dear <property owner>,

The Electric Committee for the Village of Argyle will be holding a meeting with members of the Kleinschmidt Group on Monday, July 21st, 2025, at 6:00 pm at the Argyle Community Building located at 401 E Milwaukee Street in Argyle. We would like to meet with property owners upstream of the Argyle Dam to discuss raising the spillway crest of the Argyle Dam by six inches to one foot, increasing the spillway elevation, and subsequently, the normal maximum pool elevation, from the current 791.33 feet to a maximum of 792.33 feet.

You have one parcel upstream. If you have any questions prior to the meeting, you may contact Dan Koch, Argyle Electric Superintendent by calling his cell phone +1 (608) 214-7338.

Thank you,

Sandra Flannery

Clerk-Treasurer

Village of Argyle
